

CME DINNER SYMPOSIUM

CME SITUATION ROOM

Advancing Cardiovascular Care in FCS and sHTG

Sunday, November 9

Hilton New Orleans Riverside
St. James Ballroom - 3rd Floor

5:30 – 6:00 PM CT **Registration & Dinner**

6:00 – 7:30 PM CT **Educational Activity**

Step into the CME Situation Room for the latest insights on familial chylomicronemia syndrome (FCS) and multifactorial severe hypertriglyceridemia (sHTG)! Guided by expert faculty, you'll navigate real-world scenarios that bring FCS and sHTG challenges to life. Discover practical, evidence-based strategies to close gaps in care and better meet the needs of your patients.

Activity Chair

Michael Miller, MD, MASPC

Faculty

Archna Bajaj, MD, FNLA

Pam R. Taub, MD, FACC, FASPC

Peter P. Toth, MD, PhD, FAAFP, FICA, FAHA, FNLA, FASPC, FCCP, FACC

EARN **1.5** CME Credits | REGISTER: **VindicoCE.com/H540**

This continuing education activity is provided by  **VINDICO**
medical education®

This activity is supported by an educational grant from Ionis Pharmaceuticals, Inc.

This event is not part of the official Scientific Sessions Conference 2025 as planned by the American Heart Association Committee on Scientific Sessions Programming.

Agenda

- 6:00 PM Introduction**
Michael Miller, MD
- 6:05 PM Addressing Unmet Needs and Disease Burden Associated With FCS and sHTG**
Michael Miller, MD
- 6:20 PM Evolving Management Strategies: New and Emerging Therapies in FCS and sHTG**
Peter P. Toth, MD, PhD
- 6:45 PM CME SITUATION ROOM FCS Situation: Diagnosing FCS and Initiating Therapy in Cardiology Practice**
Archna Bajaj, MD
- 7:00 PM CME SITUATION ROOM sHTG Situation: Addressing Cardiovascular Risk in a Patient With Refractory sHTG**
Pam R. Taub, MD
- 7:15 PM Posttest and Question & Answer**
- 7:30 PM Conclusion**

Learning Objectives

Upon successful completion of this activity, participants should be better able to:

- Apply knowledge of the pathophysiology and clinical indicators of FCS to provide a timely diagnosis.
- Incorporate management strategies that address the unmet needs of patients with FCS.
- Develop treatment plans that address the disease burden and management challenges associated with sHTG.
- Evaluate the most recent clinical data on emerging therapies for sHTG.

Target Audience

The intended audience for this activity is cardiologists involved in the management of patients with FCS and sHTG.

JOINTLY ACCREDITED PROVIDER*

Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Vindico Medical Education designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

IN-PERSON & VIRTUAL

Michael Miller, MD, MASPC

Professor of Medicine
University of Pennsylvania
Chief of Medicine, Corporal Michael J. Crescenz VA Medical Center
Philadelphia, PA

Archna Bajaj, MD, FNLA

Assistant Professor
Director, Clinical Trials
Penn Preventive Cardiology Program
University of Pennsylvania
Philadelphia, PA

Pam R. Taub, MD, FACC, FASPC

Step Family Director's Endowed Chair
Director of Preventive Cardiology
Director of Step Family Cardiovascular Rehabilitation and Wellness Center
Professor of Medicine
UC San Diego Health System
Division of Cardiovascular Medicine
La Jolla, CA

Peter P. Toth, MD, PhD, FAFAP, FICA, FAHA, FNLA, FASPC, FCCP, FACC

Director, Preventative Cardiology
CGH Medical Center
Sterling, IL
Professor, Clinical Family & Community Medicine
University of Illinois College of Medicine
Peoria, IL
Professor of Clinical Medicine
Michigan State University College of Osteopathic Medicine
East Lansing, MI
Adjunct Professor of Medicine
Johns Hopkins University School of Medicine
Baltimore, MD
